Bespoke financing for medical professionals and high-value personal assets — aircraft, yachts, exotic vehicles, and collectibles — through lenders who understand the asset class, the market, and the expectations of high-net-worth clients.

ASSET CLASSES & PRODUCTS

Physician Financing

Practice acquisition, partnership buy-ins, and equipment financing for medical professionals. Structured for the unique income and liability profile of physicians.

Loan range: \$500K – \$5M+

Marine Finance

Yacht and boat financing for new purchases, refinancing, and liveaboard arrangements with experienced marine asset valuers.

Loan range: \$250K – \$10M+

Art & Luxury Collectibles

Asset-backed lending against fine art, jewelry, and high-value collectibles — providing liquidity without requiring a sale of appreciated assets.

Loan range: \$250K – \$5M+

Aviation Finance

Private aircraft financing for fractional ownership, whole aircraft, and pre-buy transactions — with lenders who specialize in aviation assets.

Loan range: \$500K – \$10M+

Exotic & Classic Vehicles

Financing for rare and exotic vehicles, classic cars, and motorsport assets with lenders who have deep expertise in specialty vehicle valuation.

Loan range: \$250K – \$5M+

KEY ADVANTAGES

- Access to specialty lenders with deep expertise in each asset class — not generalist lenders
- Competitive loan-to-value ratios based on current market valuations and asset condition
- Flexible structures including interest-only, balloon payment, and amortizing options
- Advisor-led process — we coordinate with appraisers and lenders on your behalf

CASE STUDY

Medical Practice Financing — \$2.4M Partnership Buy-In

A physician client sought to acquire a partnership stake in an established medical practice. Sequoia structured a \$2.4M practice acquisition loan through a specialty healthcare lender, enabling the buy-in without disrupting the client's investment portfolio.
